BOARD MATTER **Supervisor Linda Smyth** **May 14, 2013**

MITRE Building Energy Technology Report

BACKGROUND:

On May 8, Deputy County Executive David Molchany transmitted to the Board a report from the MITRE Corporation offering recommendations to the county regarding building energy technology, with a particular focus on opportunities associated with redevelopment in Tysons Corner. This report was prepared per a proffered commitment from MITRE to the performance of sustainability-related work for the benefit of the county.

MOTION:

Therefore, I move that the MITRE report entitled "Building energy technology recommendations to Fairfax County" be referred to the Planning Commission for review and recommendation.
